### Travelling to Zurich

Travel times from major European cities

## How to reach the University by car

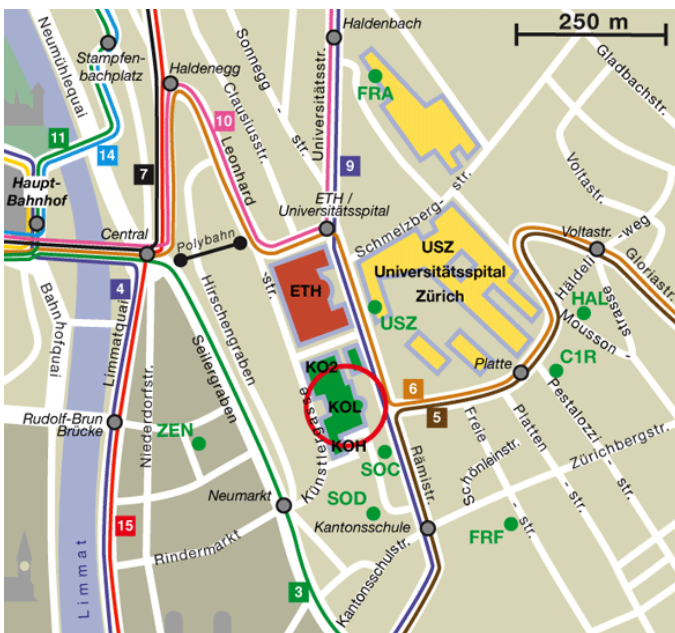

Zurich is well connected by motorway. We recommend parking the car at 'University Zurich Irchel' parking garage and continue by tram, as there is no affordable long term parking in the city center.

## How to reach the University from the Airport

There are excellent train connections from the airport to Zurich main train station (*Hauptbahnhof*)

## How to reach the University main building (KOL) from the train station (*Hauptbahnhof*)

From the train station, tram number 6 takes you to the main building (KOL). Alight at the tram stop 'Platte'. You can also walk the entire distance (uphill, 10-15 minutes). If you want to walk but skip the steep part you can take the historic 'Polybahn' cable car.
